Remarks

Have you ever built a bonfire on the beach and had 50 of your closest family and friends over for a beach party? This happens no where else on Siesta Key. Residents in the neighborhood enjoy the unique privilege of crossing Heron Lagoon via a private bridge to the sands of Siesta Key beach. There's a cabana for storing your beach chairs, kayaks and water toys. It's a one minute walk from your front door to the bridge and another minute to cross it! Here's an opportunity to build your dream home on a pristine, oversized lot nestled on the quiet end of Siesta Key. This exceptional lot offers unparalleled privacy, lush natural surroundings on an expansive corner parcel. Only minutes to restaurants, a marina to house your boat, and beautiful Turtle Beach where you can walk to newly opened Midnight Pass. The previous structure has been removed, and a clean slate is waiting for your vision. Use the Showing Time button to schedule your visit today.
